PROGRAM DEVELOPMENT & ACCREDITATION

2022	Bachelor of Science in Computer Engineering
	Proposal review & revision
2019 – 2021	ABET accreditation application
	Accreditation initiative, collect data, prepare readiness report, self-study report
2020	Master of Science in Computer Information Systems
	New concentration development: Data Science, Cybersecurity, and Artificial Intelligence
2020	Bachelor of Science in Computer Information Systems
	New concentration development: Data Science and Cybersecurity
2019	Master of Science in Data Science
	New program initiative and proposal development
2014 – 2018	Bachelor of Applied Arts & Sciences
	New concentration development: General Studies, Health Professional, Petroleum Technology
2004 – 2018	Master of Science in Computer Information Systems
	multiple new course and distance learning course design and development; capstone course design and development; interviewed and developed surveys on students about program improvement
2006 – 2007	Bachelor of Science for Digital Gaming and Simulation
	collected gaming program and game industry information and prepared a report for new program development initiative; one of the 3-member team on new program planning, meeting with community college for student transfer; drafted the complete proposal for gaming program to the coordination board
